1. Context diagrams

1.1. ICT ToDo List

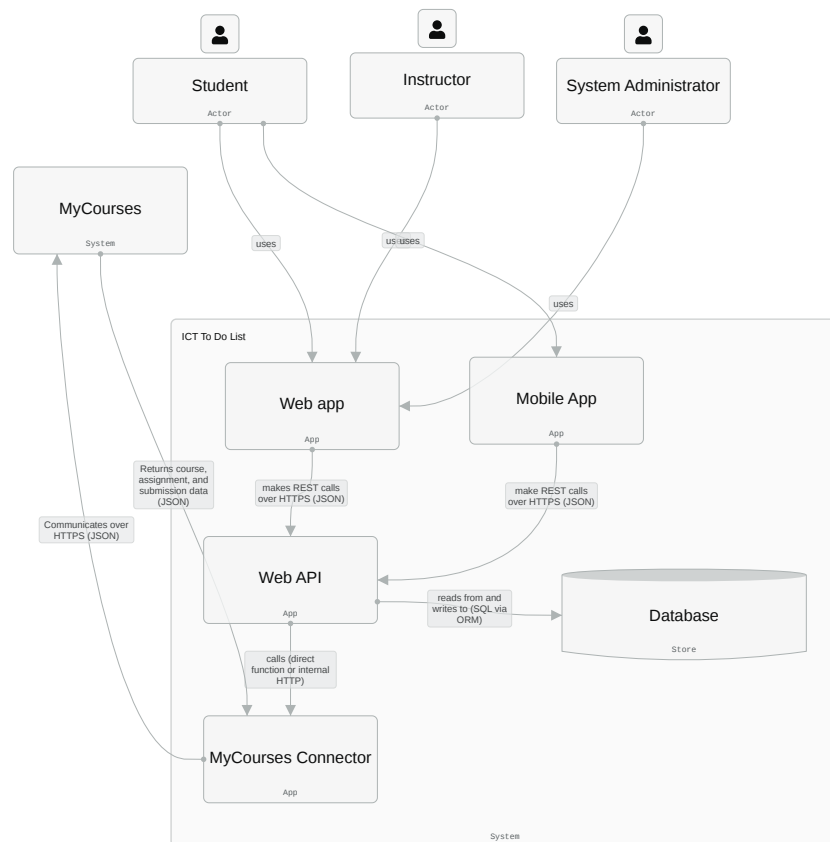

Context diagram in the Default domain domain.

2. App diagrams

2.1. ICT To Do List App Diagram

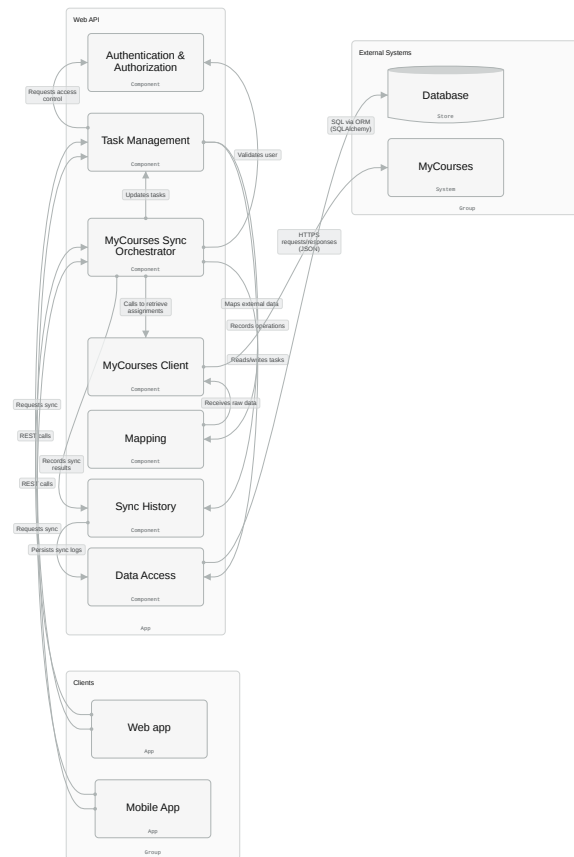

ICT To Do List app diagram in the Default domain domain.

3. Component diagrams

3.1. Web API Component Diagram

Web API component diagram in the Default domain domain.

4. Actors

4.1. Instructor

Internal actor in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [ICT ToDo List](#)

4.2. Student

Internal actor in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [ICT ToDo List](#)

4.3. System Administrator

Internal actor in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [ICT ToDo List](#)

5. Groups

5.1. Clients

Internal group in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

5.2. External Systems

Internal group in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

6. Systems

6.1. ICT To Do List

Internal system in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [ICT ToDo List](#)

6.2. MyCourses

Internal system in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [ICT ToDo List](#)
- [Web API Component Diagram](#)

7. Apps

7.1. Mobile App

Internal app in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [Web API Component Diagram](#)

7.2. MyCourses Connector

Internal app in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)

7.3. Web API

Internal app in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [Web API Component Diagram](#)

7.4. Web app

Internal app in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [Web API Component Diagram](#)

8. Stores

8.1. Database

Internal store in the Default domain domain.

Status: live

In diagrams:

- [ICT To Do List App Diagram](#)
- [Web API Component Diagram](#)

9. Components

9.1. Authentication & Authorization

Internal component in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

9.2. Data Access

Internal component in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

9.3. Mapping

Internal component in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

9.4. MyCourses Client

Internal component in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

9.5. MyCourses Sync Orchestrator

Internal component in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

9.6. Sync History

Internal component in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)

9.7. Task Management

Internal component in the Default domain domain.

Status: live

In diagrams:

- [Web API Component Diagram](#)
